

## Evosopin MBH

Evosopin MBH is a special soaping agent for the removal of reactive dye hydrolysate or unfixed direct dye from dyeings on cellulosic material. It has superior capability on washing, disperse color floating, pulp and white-bottom stain-prevention function, with excellent sequestering and dispersing properties, improve soaping fastness of printing fabrics and color vividness.

<b>Nature</b>	Surfactant compound
<b>Appearance</b>	Light yellow transparent liquid
<b>Ionicity</b>	Anion/Non-ionic
<b>pH</b>	About 7.0
<b>Solubility</b>	Arbitrarily dissolve with water
<b>Characteristics</b>	<ol style="list-style-type: none"><li>1. Retains hydrolysate in the liquor and prevents their redeposition on the material</li><li>2. Exceptional dispersing properties which prevents the formation of dyestuff aggregates and subsequent redeposition during after soaping</li><li>3. Free of APEO and environment friendly</li></ol>
<b>Application</b>	Soaping Evosopin MBH 0.5-2.0g/L The post-clearing effect required depends mainly on the depth of shade, the liquor ratio, the liquor carry over between consecutive steps and the time for each process step. These parameters vary according to machine and substrate type.

### **Storage**

If stored properly in its original sealed packaging the shelf life is at least 12 months.  
Storage temperature at 0- 40 °C will cause an increase of the color number.  
Once the package barrel is opened, it should be used as soon as possible, if not, please seal the left well.

### **Safety**

We know of no ill effects that could have resulted from using this product for the purpose for which it is intended and from processing it in accordance with the current practice. According to the experience we have gained up to now and other information at our disposal, the product does not exert any harmful effects on health, provided that it is used properly, due attention is given to the precautions necessary for handling chemicals, and the information and advice given in our Safety Data Sheet are observed.

### **Labelling**

Please refer to latest Safety Data Sheet for detailed information on product safety.
